DELIVER EXCEPTIONAL CIGARETTE FILTER AND CAPSULE

HANSANG

ABOUT HANSANG

Hansang International Corp. is a professional supplier of cigarette filters and flavored capsules for cigarette, having business relationships with more than 60 companies in 52 different countries around the world.

Founded in 2005, the company focuses on delivering various needs of Single and Double Capsule Filters, Dual and Triple Tube Filters, Dual Charcoal Filters and Sprayed Filters as well as Mono Acefate Filters.

After installing our own capsule facility in 2021, we started to provide cigarette capsule called K-Capsule series with a variety of flavors and scents.

Our product offers a wide range of filters and flavor capsules development and supply items based on customized order to your requirements with better quality.

Our staffs continue to strive to endeavor to form new business opportunities through continuous R&D investment to tailor "made-to-orders" for specific specification.

VISION WITH US
